Rich text description with BOLD and ITALIC and many other features!

From the outside, this house looks stylish and welcoming. The windows allow enough light to enter the home to create a cozy environment; that particular environment we all look to have at home. The house is equipped with a modern kitchen and several bathrooms, it also has a warm living room, two bedrooms, a grand dining area and a large garage. Don't forget to view the garden outdoor area too... It's worthwhile! All in all, it's definitely a fantastic house you must visit!- Renovated from top to bottom with an upper level addition

- Basement completely waterproofed
- Oversized living room with an entire glass wall and walk out to backyard
